Hi all,

Attached is the latest version of the comms plan and website text for the archiving of pesticides off the IRIS database, slated for announcement next week on Friday afternoon.

Norm, you might want to take a quick look at the comms plan. There was one bullet I modified slightly, and wanted to run by you.

Norm/Maureen, it would be a great help if I could get a list of the pesticides we're archiving on Monday. I'd like to send this to OCSPP comms lead on Monday afternoon. Before that happens I'd like to have the numbers pinned down on how many values we're archiving.

Let me know if you have any questions. Thanks for the last, hopefully quick look!

-Lou
